SUMMARY

Sales Development Representative with hands-on experience across inbound and outbound prospecting, lead qualification, and full-cycle customer acquisition. Independently built and converted a pipeline of approximately 250 customers through self-generated digital outreach, with additional background in sales leadership, high-ticket consultative closing, and sales training / product education. Comfortable working cross-functionally, using CRM tools (HubSpot) and AI-assisted workflows to research accounts, personalize outreach and keep pipeline moving. Known for translating complex products into clear, buyer-focused messaging and adapting communication style across audiences and markets.

EXPERIENCE

- Sales Trainer / Product Educator — Universe Pro

Mar 2026 – Present

 - Create and deliver sales-training and product-education content used to onboard prospects and support the sales funnel.
 - Field product enquiries and translate technical or complex product detail into clear, buyer-ready messaging.
 - Apply sales and marketing techniques to webinar-based promotion, supporting top-of-funnel lead generation.
- Sales Representative — Hextron International

May 2025 – Dec 2025

 - Built and converted a self-generated pipeline of approximately 250 customers through inbound and outbound digital prospecting, with no assigned leads.
 - Ran live, real-time outreach and relationship-building conversations to generate and qualify leads at volume.
 - Owned the full sales cycle — prospecting, objection handling and follow-up — through to close.
- Vice President of Sales — Hextron International

Aug 2024 – May 2025

 - Developed go-to-market offers and sales strategy aimed at a mass-market audience.
 - Advised on sales and marketing direction, shaping product-education messaging used across the outreach funnel.
- Founder / Marketing Director — Cryptologicals Pte Ltd

Jan 2021 – Dec 2022

 - Built a consultative, relationship-driven sales practice from the ground up, owning client acquisition, onboarding, CRM and marketing campaigns.
 - Coached 300+ students in high-ticket, consultative closing techniques; personally closed premium offers up to \$10,000 per client.
 - Achieved \$50K peak monthly revenue as a solo operator, demonstrating consistent self-driven pipeline generation.
- Teaching Lecturer — KLIEC

2022 – 2023

 - Delivered presentations and workshops breaking down complex technical concepts for varied audiences.
 - Developed educational materials and practical exercises — the same skill set now applied to translating product complexity into buyer-ready sales messaging.
